1. Update on CVC – working towards first course review
2. Committee input of draft of updated goals and objectives for the college –
 - DEAC suggestions- Add accessibility to our core values. **Accessibility - We commit to accessibility by ensuring that all stakeholders can independently access all outward and internal activity and spaces.**

This is part of the Executive Order on DEIA in the Federal Workforce. There it is worded like this:

The term “accessibility” means the design, construction, development, and maintenance of facilities, information and communication technology, programs, and services so that all people, including people with disabilities, can fully and independently use them. Accessibility includes the provision of accommodations and modifications to ensure equal access to employment and participation in activities for people with disabilities, the reduction or elimination of physical and attitudinal barriers to equitable opportunities, a commitment to ensuring that people with disabilities can independently access every outward-facing and internal activity or electronic space, and the pursuit of best practices such as universal design.

- Goal #1 - **Increase the completion of online courses in students' first year** (or every year for that matter)
 - Goal #2 - add **Decrease equity gaps for Black students in online courses**
3. Online Course surveys and recertification for Spring
 4. Request for Admin 2 – suggestion to go to job description and link tasks directly to job description
